RAISING OF CAPITAL THROUGH AN INITIAL PUBLIC OFFERING:

The Chairman briefed the Board that Suraj Estate Developers Limited (the “**Company**”) had filed the draft red herring prospectus with Securities and Exchange Board of India (“**SEBI**”) on March 4, 2022 and received the final observation from SEBI. Due to expiration of validity of the SEBI Final observation letter, the Company could not hit the market in timely manner and launch the IPO. Therefore, the Company is planning to refile the offer document with SEBI to undertake an initial public offer of its equity shares of face value of ₹ 5 each (the “**Equity Shares**”) which would include fresh issuance of Equity Shares (the “**Issue**”) and list the Equity Shares on one or more of the stock exchanges. The Issue structure will be finalized at the absolute discretion of the Board (which reference shall include any duly constituted committee thereof). The Company intends to undertake the Issue and list its Equity Shares at an opportune time in consultation with the book running lead managers to be appointed for the Issue (the “**BRLMs**”) and other advisors to be appointed for the Issue and subject to applicable regulatory and other approvals, to the extent necessary.

In connection with the Issue, the Company is required, *inter alia*, to prepare various documents and execute various agreements, including, without limitation, engagement letters, the registrar agreement, the depositories’ agreements, the Issue agreement among the Company, the BRLMs, the underwriting agreement, the advertisement agency agreement, the syndicate agreement, the monitoring agency agreement, the cash escrow and sponsor bank agreement and the share escrow agreement, each as applicable. Accordingly, it was proposed to authorize the Board and certain officers of the Company to negotiate, finalize and execute such documents and agreements as may be required and to do all such things, deeds and acts in this regard for and on behalf of the Company.

The Board discussed and passed the following resolution unanimously:
